QUALIFYING EXAMINATION REQUEST FORM

The undersigned, as members of the Advisory Committee for the above-named candidate, certify that:

- 1. the proposal is satisfactory, and
- 2. the student is sufficiently prepared to take the Qualifying Examination, both written and oral.

A written evaluation of the quality of the student's research performance to date and of the student's potential as a researcher must be submitted to the Graduate Program Coordinator and Graduate Program Assistant.

READY

NOT READY

If the Advisory Committee deems the student is not ready to proceed with this examination, supporting documentation must be provided.

Successful completion of both parts will qualify the student as candidate for the Ph.D. degree.
